The image displays two screenshots of a game interface. Both screenshots feature a central purple rectangular box with a white rabbit icon at the top. Inside the box, a horizontal sequence of six numbered squares (1 to 6) is shown. Each square has a small icon below it: a yellow ribbon for 1, 2, 3, and 4; a blue ribbon for 5; and a red ribbon for 6. Below the sequence, a yellow ribbon icon is followed by the text '= Shortest Solution'. The background of the game is light blue with various colorful geometric shapes and structures. The top left of the interface shows a search bar and a share icon. The top right of the interface shows a close button (X).
